Vision & Mission of the College

Vision

We are committed to the society in building capability, developing personality and inculcating social and national values through quality education to the students, with equity and justice in rural environment.

Mission

Our mission is to maximize the effort for development of quality human resources through academic, co-curricular and community orientation exercises. We encourage mentoring and inspirational assistance to the needy for attaining academic excellence and self employability.

Objectives

The overall objective is to achieve holistic development of the students. The specific objectives are -

- ◆ To foster academic activities that support the mission of the College.
- ◆ To equip the students for higher education, job placement, building capability and develop work culture.
- ◆ To develop national, social and cosmopolitan values for responsible citizenship.
- ◆ To provide opportunities for civic and cultural

From the Principal's Desk

It gives me great pleasure to welcome the fresh batch of 2020-2021 to this college. As one of the oldest institutions of higher education under Dibrugarh University, we have continuously strived to maintain and upgrade our academic, co-curricular and infrastructural quality. This claim is upheld by the steady performance graph of our students in their Final Examinations. Besides, the students of this college have achieved recognition at the state and national level in sports, art and music. Many are employed abroad filling us with pride and determination to work harder.

The 12 departments with 50 teachers are committed to the overall uplift of the students and also the neighbouring villages, forming a cohesive community. The extension work carried out by the cells and societies show our deep engagement with social causes. The college collaborates with various agencies at the state, national and international level to organize academic and extension activities.

We, at Bihari Lal College, adhere strictly to the rules as explained in this prospectus and follow a policy of zero tolerance towards sexual harassment at workplace. We maintain an organic relation with all the stakeholders of this college to provide a healthy and congenial environment to the college fraternity. The 1200 strong student community is majorly disciplined and responsible and through them, we try to uphold the values handed down by our predecessors and realize the dreams of our Founding Fathers of providing quality education.

BAHONA COLLEGE

An Introduction

Bahona College is the only institute of Higher Education in the North East corner of Jorhat that offers Higher Secondary and Undergraduate courses both in Arts and Science. On 1, 2 and 3 Oct., 2016 the college celebrated Golden Jubilee of its glorious existence. In the second cycle visit to the college (2015), the NAAC awarded it B Grade (2.71 point, B+ as per new scale).

Bahona College started its relentless effort of imparting quality higher education on 16th July, 1966 with a handful of students. A delegation of academics, educationists and organisers led by visionary Ram Kr. Boruah established the college in a green sprawling location. Today the college can boast of more than 1300 students and one hundred teaching and non-teaching staff.

Apart from regular courses, the college now offers PG Courses in Arts under the Directorate of Distance Education of Dibrugarh University and UG Programmes under Krishna Kanta Handique State Open University. The college also runs a Diploma Course in Elementary Education. A Community College, funded by the UGC is also being run by the college with courses in "Construction Supervisor" and "Printing Technology". Different short term certificate courses like 'Mushroom Cultivation', 'Computer Based Printing' etc. are also offered by the college.

Environment

Set in a sprawling campus, the college building is surrounded by shade trees, ornamental plants, fruit trees and seasonal flowers in a riot of colours. Free from unhealthy campus activities, Bahoma College can boast of a healthy and serene environment.

Communication

The college is well connected by bus service and tempo/magic service which ply regularly from 7am to 8pm from the Jorhat city to Nimati Ghat.

Important Sections of Dibrugarh University Regulations for the Undergraduate Academic Programmes in the Choice Based Credit System (CBCS), 2018

(Approved in the meeting of Academic Council of D. U. on 21.11.2018)

(1) Short title, definitions and commencement:

These Regulations shall be called the Dibrugarh University Regulations for the Under Graduate Academic Programmes in the Choice Based Credit System, 2018. These Regulations shall be effective for the Courses of Study leading to the Bachelor Degree(s) in Arts (BA), Science (B.Sc.) and Commerce (B.Com), which shall be of three years duration comprising of six semesters. Hereinafter, it will be referred to as DU-UGCBCS Regulations, 2018. The Regulations shall come into effect from the Academic Session, 2019-2020. The Regulations shall be applicable to the students enrolled in the aforementioned Academic Programmes under CBCS conducted by the Colleges/ Institutes affiliated to/ permitted by Dibrugarh University from the Academic session 2019-2020.

Definitions:

- a) **CBCS:** CBCS means Choice Based Credit System. Choice Based Credit System is a flexible system of learning. 'Credit' defines the quantum of contents/ syllabus prescribed for a course and determines the number of hours of instruction required.
- b) **College:** The term 'College' means the Colleges and Institutes affiliated to or permitted by Dibrugarh University for conducting different academic programmes.
- c) **Department:** The term 'Department' is used to mean a Department of a College/ Institute affiliated to/ permitted by Dibrugarh University.
- d) **Programme:** The term 'programme' is used to mean the whole learning experience or combination of courses in a particular field of study.
- e) **Course:** A Programme is divided into a number of courses. A course is a unit of instruction or segment of subject area under any programme. The traditional concept 'paper' is replaced by 'course'.
- f) **Academic Year:** An academic year means a period of twelve months consisting of two semesters.
- g) **Semester:** The word "semester" is used to mean a half-yearly term or term of studies including examinations, vacations and semester breaks.
- h) **Semester Duration:** A semester normally extends over a period of 15 class weeks. Each week has 30 hours of instruction spread over the week.
- i) **In-semester:** The word "in-semester" is used to refer to the continuous evaluation within the half-yearly term.
- j) **End-semester:** The word "end-semester" is used to refer to the terminal processes of examinations and evaluations at the end but within the half-yearly term.
- k) **Credit:** 'Credit' defines the quantum of contents/ syllabus prescribed for a course and determines the number of hours of instruction required per week. Thus, normally in each of the course, credits will be assigned on the basis of the number of lectures/ tutorials/ laboratory work and other forms of learning required to complete the course contents in a 14-15 week schedule:
 - i) 1 Lecture per week = 1 Hour duration per week = 1 Credit
 - ii) 1 Tutorial per week = 1 Hour duration per week = 1 Credit
 - iii) 1 Practical per week = 2 Hours duration per week = 1 Credit Note

Semester Duration:

- i) **Odd Semesters:** June –November (including end-semester examinations and semester breaks)
- ii) **Even Semester:** December –May (including end-semester examinations and semester breaks)

Extent of Application:

The Regulations shall be applicable to the students enrolled for the Courses of Study leading to the Bachelor degrees in Arts (BA), Science (B.Sc.) and (B.Com), which shall be of three years duration distributed into six semesters.

Academic Schedule:

The Academic Schedule of the Bachelor degrees in Arts (BA), Science (B.Sc.) and (B.Com) Programmes under the CBCS shall be administered as per the Academic Calendar of the University published for every academic session.

Admission Notice and Admission Criteria:

- (i) Newspaper Notice inviting applications for admission into the different programmes shall be issued by the Principals of the colleges/ institutes as per the Academic Calendar of the University. The minimum eligibility for admission into the following Programmes shall be as below:
 - a. **Bachelor of Arts (B.A.):** A student passed the Higher Secondary Examination (10+2) of the Assam Higher Secondary Education Council, or an equivalent examination (10+2) recognized as such by the University.
 - b. **Bachelor of Science (B.Sc.):** A student passed the Higher Secondary Examination (10+2) in Science stream of the Assam Higher Secondary Education Council, or an equivalent examination (10+2) recognized as such by the University. For admission into the B.Sc. in Chemistry, Physics and Geology Honours, a candidate must pass the Higher Secondary Examination (10+2) in Science stream of the Assam Higher Secondary Education Council or an equivalent examination with passing Mathematics as a subject.
- (ii) The admission or eligibility criteria shall be fixed by the Academic Council from time to time whenever necessary. The University/ colleges/ institutes may also adopt own policy for admission or selection of eligible candidates for admission complying with the eligibility criteria prescribed in the clause 2.5(i) of the CBCS legislation.
- (iii) No student shall be eligible for admission to an Academic Programme in any discipline unless he/she has successfully passed the qualifying examination fulfilling the minimum eligibility criteria from a University /Institute recognized by Dibrugarh University. (iv) Statutory reservation policy of the government shall be followed in case of selection of eligible candidates for admission.

Course Structure:

The Course Structure of the Academic Programmes under the CBCS shall be as per the Course Structure given in Annexure I. The nature of the Courses for all Under Graduate Academic programmes shall be as below:

- a) **Core Courses:** Compulsory components of an Academic Programme. These Courses are to be compulsorily studied as a core requirement for the programme. The contents of the Core Courses shall be as per the UGC Model Curriculum for the subject/ discipline concerned. However, the Boards of Studies concerned may recommend maximum of 20% deviation from the UGC Model Syllabi wherever requires. In case, UGC does not provide model Syllabi/ Curriculum, the Board of Studies shall propose their own Core Courses keeping parity of total numbers of credits/ courses with other similar subjects/ disciplines.
- b) **Elective Courses:** Elective courses shall be chosen by each student from a pool of courses. These courses may be intra-departmental, i.e. Discipline Specific Elective (DSE) as well as inter-departmental, i.e., Generic Elective (GE). The students shall have to choose minimum number of DSE and GE in every semester as prescribed in the Course Structure. These courses shall be: (i) supportive to the discipline of study (ii) providing an expanded scope (iii) enabling an exposure to some other discipline/ domain (iv) nurturing student proficiency/ skill There shall be a basket of at least eight Elective Courses having equal number of credits. For the students of the same discipline/ subjects these elective courses shall be intra-disciplinary and shall be called DSE Courses. If the students of other discipline/ subjects (within the Programme) opt these electives shall be considered as inter-disciplinary and shall be called GE courses. Further, there may be few courses conducted under the UGC's Programmes on Massive Open Online Course (MOOC)s. The University may time to time fix the criteria for MOOCs as per the relevant UGC Guidelines on digital education.
- c) **Ability Enhancement Courses (AEC):** The Ability Enhancement Courses shall be of two kinds- 'Ability Enhancement Compulsory Courses' and 'Skill Enhancement Courses'. These courses shall be inter-disciplinary (within the Programme) in nature. 'AEC' Courses are the courses based upon the content that leads to Knowledge enhancement.
 - i. **Ability Enhancement Compulsory Courses (AECC) :** (a) Environmental Science (2 Credit), (b) Communicative English (2 Credit) and (c) Alternative English/Communicative Hindi /MIL (2 Credit).

For BA and B.Com (Non-Honours) Programmes, there shall be a Multidisciplinary Course of 4 Credits.
 - ii. **Skill Enhancement Courses (SEC): (minimum 4 credits):** These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge and should contain both theory and lab/hands-on/training/fieldwork. The main purpose of these courses is to provide students life-skills in hands-on mode so as to increase their employability. The list provided under this category are suggestive in nature and

each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope and need.

A Course may also take the form of a Dissertation/ Project work/ Practical training/ Field work/ Seminar, etc.

1. The minimum and maximum credits to be opted by a student for qualifying of a graduate degree shall be as per the Course Structure given at the end of this statement.
2. Change of Courses shall not be permitted after sending the records of the students to the University for registration.

Attendance

1. The course teacher shall be responsible for maintaining a record of attendance of students who have enrolled for the course.
2. All course teachers shall intimate the Principal/ Director of a college/ Institute through the Head of the Department concerned at least thirty calendar days before the last instruction day in the semester, the particulars of all students who have less than 80% of attendance during the total number of class days.
3. A student who has less than 80% attendance in average shall not be permitted to sit for the End-semester examination. Provided that it shall be open to the University to grant exemption to a student who has attended a minimum of 70% classes but failed to obtain the prescribed 80% attendance for valid reasons, on recommendation of the Head/Chairperson/ Principals of the Department/ Centre/ College on payment of a prescribed fee(s).
4. The Principals of the Colleges shall announce the names of all students who shall not be eligible to take the End-semester examinations in the various courses and send a copy of the same to the Controller of Examinations. Such candidates shall have to repeat the concerned course (s) when it is offered next.
5. A student declared as discollegiate shall not be allowed to proceed to the next higher Semester. He/ She shall need to pursue the Semester afresh in which he/ she was declared as discollegiate along with the next fresh batch.

Examination and Evaluation

- (a) Examination and evaluation shall be done on a continuous basis, at least three times during each semester. (b) There shall be 20% marks for internal assessment and 80% marks for End-semester examination in each course during every semester. (c) There shall be no provision for re-evaluation of the answer-scripts of the endsemester examinations. However, a candidate may apply for re-scrutiny.
- (d) Internal Assessment: (i) In internal assessment, different tools such as objective tests, written tests, assignments, paper presentation, laboratory work, etc. suitable to the courses may be employed. The Procedure for Internal Assessment is prescribed in Annexure III. (ii) The students shall be informed in advance about the nature of assessment. Students shall be required to compulsorily attend internal assessment including appearing the Sessional Tests, failing which they will not be allowed to appear for the End-semester examination. A Student cannot repeat In-semester examinations. The department may arrange special in-semester examination whenever necessary.
- (e) End Semester Examination: (i) There shall be one End semester examination carrying 80% Marks in each course of a Semester covering the entire syllabus prescribed for the Course. The End semester examination is normally a written/ laboratory-based examination/Project Work/Dissertation. (ii) The Controller of Examinations shall make necessary arrangements for notifying the dates of the End semester examinations and other procedures as per Dibrugarh University Rules (at least 20 days in advance) and the Academic Calendar notified by the University. (iii) Normally, the End-semester examination for each course shall be of three hour duration.
- (f) Confidential Works: Setting of question papers, moderation of question papers, evaluation of answer scripts, scrutiny, tabulation of marks, etc. and announcement of results, shall be governed by the Dibrugarh University Examination Ordinance.
- (g) The mode of the conduct of the end-semester examinations of the practical/ dissertation courses shall be partially external as below: 1. The end-semester examinations of all practical/ dissertation courses shall be conducted by a Board of Examiners consisting of the internal examiner (the concerned course teacher) and an external examiner appointed by the Controller of Examinations. 2. A student shall not be allowed to take more than one project work in a single semester.

- (h) The mode of end-semester examination and evaluation of the Course shall be specified in the detailed syllabus of the Course concerned.
- (i) End-semester Practical examinations shall normally be held before the theory examinations.
- (k) Betterment Examination: (i) A student shall be entitled to take the "betterment examinations" in any two theory courses of any of the six semesters after passing the Sixth Semester examination only once. In this case, the higher marks secured by the student shall be retained. The candidates shall have to apply for betterment examination within one year of passing the Sixth Semester examination. (ii) No betterment shall be allowed in the practical examinations.

Results and Progression:

- a) A candidate shall be declared as passed a course, provided he/ she secures-
- (i) at least 40% of marks in each Course in the End Semester Examinations.
 - (ii) at least 'P' grade in the 10 point scale combining both the in-semester and End Semester Examination performance.
 - (iii) There shall be no separate pass mark for Internal Assessment.
- b) A candidate shall be declared as passed a semester/ programme, provided he/ she secures at least 'P' grade in the 10 point scale (given in clause) in all the Courses separately.
- c) There may be moderation of Internal Assessment marks/End Semester marks as and when necessary.
- d) The marks of In-semester examinations obtained by the candidate shall be carried over for declaring any result.
- e) A candidate who fails or does not appear in one or more courses of any end semester examinations up to Sixth Semester shall be provisionally promoted to the next higher semester with the failed course as carry over course(s). Such candidates will be eligible to appear in the carry over course in the next regular examinations of those courses.
- f) If a candidate clears the sixth semester examination before clearing all the courses of the previous semesters, the result of the sixth semester examination of that candidate shall be withheld and his/ her results shall be announced only after he/ she clears the courses of the previous semesters.

A student must clear all his/ her Semester Examinations within Six (6) years from the dates of admission to the First Semester of any Programme irrespective of the number of examinations appeared by the student, viz. First and Second Semester Examinations shall have to be cleared in six consecutive chances, Third and Fourth Semester Examinations shall have to be cleared in five consecutive chances and Fifth and Sixth Semester Examinations in four consecutive chances. However, after the first chance of the Fifth and Sixth Semester Examinations, the candidate shall be considered as a non-regular candidate.

- g) Since the Semester system involves continuous assessment, there shall be no scope for a student to appear as a private candidate in any programme in this system.
- h) A candidate shall be declared to have passed the Bachelors Degree in the concerned discipline provided he/she has passed all the Semesters and in all the Courses separately.
- i) The Controller of Examinations shall declare the results of the DU-UG CBCS Examinations and issue Grade-sheets.
- j) The first rank holder of a programme shall be decided on the basis of the CGPA. However, the Overall Weighted Percentage of Marks (OWPM) of a candidate shall be considered in case of tie in CGPA.

Grading System

GUIDELINES

for Students' Entitlement

These guidelines have been issued by the University Grants Commission (UGC) in order to help students, teachers, administrators and institutions understand what the minimum entitlements of the students are. These guidelines apply to all the colleges and universities in the country (this expression includes every institutions of higher education even if it is not called college/university) without any exception. It shall be mandatory for every college/university to publish the present Guidelines in full in its Prospectus and also post it on the homepage of its website.

Fulfillment of these entitlements imposes obligations on educational institutions, administrators, policy makers, teachers and students themselves. If these obligations are not met, a student can approach the Grievance Redressal Authority or the Ombudsman. Any serious or persistent violation of these Guidelines can be brought to the notice of the University Grants Commission and can be the basis of punitive action against the offender.

Some of the provisions stated here are already covered by existing laws or Rules and Regulations of the UGC. But the students shall continue to enjoy all the right under existing laws, rules and regulations which may not have been mentioned in these Guidelines.

1. Admission

- 1.1. An announcement or advertisement for any course of study must clearly specify whether the degree granted is notified by the UGC and other relevant statutory authorities [Under Section 22 c of the UGC Act, latest list available at the UGC website] and whether the university that awards the degree figures in the list of universities maintained by the UGC [available at the UGC website].
- 1.2. A student seeking admission is entitled to a document (usually called 'Prospectus') that specifies the curricula including syllabi, names and academic profile and status of the faculty, mode and frequency of evaluation, duration of the course, academic calendar, comprehensive information about fees or charges of any kind, and refund rules. The information given in the prospectus should not be changed to the disadvantage of the student during the course of study; any change if necessary must be communicated to each student individually spelling out reasons for such a change.

- 1.3. The Prospectus must spell out exactly the process and criteria for admissions. This includes weightage given to previous academic performance, entrance examination and interview. The syllabi and format of the entrance examination must be spelt out. The final scores of each candidate who appeared for entrance examination including all the components and the entire waiting list must be made public.
- 1.4. Information about any reservations or quota for any category, the eligibility criteria for these reservations/quotas, certificate required for seeking admission under these must be stated clearly in the Prospectus.
- 1.5. The student must not be asked to produce documents which have not been mentioned in the Prospectus. While the institution can ask the student to produce the original documents (such as School Leaving Certificate, Marksheet, Caste certificate) for verification, they cannot retain any original documents of any students. [As notified by UGC on 23rd April 2007, F. No. 1-3/2007 (CPP II)]

2. Quality of teaching and learning

- 2.1. It is the responsibility of the college/university to help the students develop their learning skills by facilitating the creation of learner centric environment conducive for quality education. The students are entitled to receiving instruction and reading material in all the languages allowed by the institution as medium of instruction or examination.
- 2.2. The students who begin with a difficulty due to social handicap or a shift in the medium of instruction are entitled to special support to bridge the gap.
- 2.3. The students are entitled to availability and presence of qualified teacher, fulfillment of the specified number of teaching days and contact hours for each course and completion of syllabus on time. [UGC Regulations on Minimum Qualification of Teachers... 2010]
- 2.4. The students are entitled to reasonable access to facilities, services and resources including library (that stocks textbooks, reference books, journals, e-resources), laboratories, and ICT facilities in the languages permitted as medium of instruction or examination.
- 2.5. The student are entitled to fair, transparent and timely evaluation, including fair provisions for timely re-checking or re-evaluation of the scripts and redressal of any grievance related to the evaluation process. The students are entitled to a copy of their answer scripts after the declaration of results.

- 2.6. The students are entitled to timely conduct of examination and declaration of results as specified in the academic calendar in the Prospectus. They shall be entitled to the award of degree within 180 days of the declaration of results.
- 2.7. The students are entitled to give regular feedback on the quality of teaching, students services and institutional infrastructure. The college/university shall establish mechanisms for seeking this feedback regularly and taking student feedback into account for review and improvement.

3. Fee and financial aid

- 3.1. The students are entitled to prior and full information about amount, components, frequency and mode of any kind of payment including fees or charges of any other kind and refund rules. If a student withdraws before the beginning of the course, the student should be refunded the entire fee given to it with a maximum deduction of Rs. 1000. [As notified by UGC on 23rd April 2007, F. No. 1-3/2007 (CPP II)]
- 3.2. A college/university will make utmost effort to ensure that no student is deprived of opportunities of quality education for lack of sufficient financial resources. It is the responsibility of the policy makers to ensure that sufficient funds are made available to implement this principle. The Prospectus shall contain consolidated information about scholarship/fellowship/financial aid scheme of any type that that is available to the students. It shall bring to notice and assist the students in accessing such schemes. It shall ensure that the procedure for selection is fair and transparent.

4. Infrastructure

- 4.1. The students are entitled to access to appropriate resources including classrooms, libraries, laboratories and other academic facilities necessary for quality education. [UGC rules and regulations for fitness of universities and colleges for Grants under section 12 B of the UGC Act 1956, Private University Regulation, Deemed University Regulation].
- 4.2. The students are entitled to reasonable access to sports and recreation facilities, avenues for literary, aesthetic and other extra-curricular pursuits.
- 4.3. The student are entitled to reasonable attention to medical and health requirements including free and periodic health check-up and treatment/hospitalization in case of medical emergencies.
- 4.4. The students are entitled to a reasonable access to adequate, clean and hygienic hostel/residence accommodation that provides basic amenities including recreational facilities. Such accommodation should be affordable and must not be utilized by the institution for profit making. Accommodation meant for students must not be encroached upon by the institution for any other purpose.

- 4.5. Student with disability are entitled to access to all schemes, facilities and services in the university without discrimination. The college/university shall strive towards a universal design of learning based curriculum that can address the needs of the broadest possible range of students by minimizing barriers and maximizing learning for all students. The college/university shall provide barrier free access, special library resources (including Braille and ICT resources), provisions for sign language interpreter/transcriber, the required equipments and electronic resources and the required relaxation in examination to all students with disability. [Person with Disabilities (Equal Opportunity, Protection of Rights and Full Participation) Act, 1995; UGC D.O.No.F-6-1/2006(CPPII), F.No.6-1/2012(SCT)]
5. The students are entitled to non-discriminatory treatment (in the sense of absence of harassment, victimization or exclusion) in every aspect of institutional functioning. Any discrimination based on caste, gender, creed, colour, race, religion, place of birth, political conviction, language and disability shall be prohibited.
- 5.1. In particular, institutions shall not discriminate against students belonging to Scheduled Caste and Scheduled Tribes and racial profiling of students from any region or ethnic group. [UGC (Promotion of Equity in Higher Educational Institutions) Regulations, 2012]
- 5.2. The students are entitled to protection from sexual harassment by complaining to the Gender Sensitization Committees against Sexual Harassment. It is mandatory for each college/university to constitute and publicize this committee as per the Guidelines and norms laid down by the Hon'ble Supreme Court [Vishaka and Others Vs. State of Rajasthan and Others(JT 1997 (7) SC 384)]
- 5.3. All students are entitled to protection from ragging in any form [UGC (Curbing the Menace of Ragging) Regulation, 2009]
6. As democratic citizens, the students are entitled to freedom of thought and expression within and outside their institution. The college/university must allow space for free exchange of ideas and public debate so as to foster a culture of critical reasoning and questioning. College/university authorities must not impose unreasonable, partisan or arbitrary restrictions on organizing seminars, lecture and debates that do not otherwise violate any law.
7. The students are entitled to forming associations and unions, directly electing their representatives to Students Unions and having their representatives on the college/university decision making bodies including internal quality assessment, grievance committees, Gender Sensitization Committees against Sexual Harassment and the Academic/Executive council. University/colleges shall evolve mechanisms for adequate consultations with students' representatives before taking any major decision affecting the students.
8. The students are entitled to full and correct information about any institution of higher education in which they study or propose to study. Therefore, every college/university must disclose the following information on its website and Prospectus: status of the institution, its affiliation, accreditation rating, physical assets and amenities, membership of governing bodies and minutes of the meetings of bodies like Academic/Executive council, sources of income and the financial situation and any other information about its functioning necessary for a student to make a fully informed choice. [Section 4 (1) of Right to Information Act 2005]
9. The students are entitled to redressal of their grievance by the Grievance Redressal Committee of the institution within 10 days of making a representation. If they are not satisfied, they are also entitled to an appeal to the Ombudsman of the University concerned for redressal within 30 days. [UGC (Grievance Redressal) Regulations, 2012]
10. The UGC may issue instructions for proper implementation of these Guidelines.
