

DEPARTMENT OF ZOOLOGY:: BAHONA COLLEGE : ADMISSION, 2021

Important:

- The document contains applicant names Under *List of Selected Applicants and Waiting for Selection* for fresh admission of academic year 2021-22.
- This admission will be done for B.Sc. 1st Semester ZOOLOGY Honours (CBCS course), and other subjects.
- The selection for Dept. of Zoology is based on the **Total Marks** secured in the Higher Secondary Final Year Examination.
- For the First Merit List, we are considering only those Applications which selected Zoology as their First or Second Honours Preference. To avoid overlapping selection of same student in different departments, we have consulted the major selection list of other departments also. In the waiting list, all the three preference categories are included.
- We do not support the inter-departmental transfers as it alters the statistics of reservation guidelines for the department. So **If Zoology is not your preferred subject then you should wait for 2nd /3rd list of your preferred honours subject.**
- In case of equal marks for two or more candidates, the honours preference was first given priority, if same situation continues we considered the Biology marks and if biology mark is also same, then we checked chemistry marks to make the waiting list.
- If seat(s) remained vacant in the Unreserved Category (UR) of merit list, then we will shift the present Reserved Category (OBC, ST, SC) applicants to Unreserved Category on merit basis and the newly vacant reserved category seats will be filled from the pool of waiting candidates.
- From the past admission related experiences, we suggest waiting list applicants to wait till the 3rd merit list as many students of 1st & 2nd list take admission and then left for other institutes. So, for more updates from Dept. of Zoology join <https://chat.whatsapp.com/CCp0yKZNG5rJJ8QWD7u8wh>
- **The selected applicants (1st Merit List) must take admission on or before 2nd September 2021 (7-00pm) by using their User ID and Password. If they do not take admission within the specified period, then their seats will be cancelled in Department of Zoology. The vacant seats will be filled for the waiting list on merit basis and category basis.**

LIST OF SELECTED APPLICANTS (1st Merit List)

Total Seats: 35, after adding 20%+5% Extra= 45, category wise number of seats can be seen in the list.
