Call for Book Chapters For

Peer-Reviewed Edited Book with ISBN

Anuranan aims to create a meaningful platform for academicians, researchers, scholars, and students to share ideas and research on gender, sustainability, biodiversity, climate change, and social inclusion. This peer-reviewed edited book with ISBN seeks to encourage thoughtful academic dialogue for a more inclusive, balanced and sustainable future. The book will be published by the Women Cell, Bahona College, as part of the Diamond Jubilee Year Celebration.

About the Book

This peer-reviewed biligual edited book explores the critical intersections of gender, society, and environmental sustainability. It brings together diverse scholarly perspectives examining how gender dynamics shape and are shaped by ecological challenges, social structures, and sustainable development initiatives worldwide.

Who Can Contribute?

Academics, researchers, PhD scholars, practitioners, and professionals working in gender studies, environmental sciences, social sciences, and related interdisciplinary fields.

Fees Structure:

- An amount of Rs. 600/- needs to be deposited as APC for accepted articles.
