

## ABOUT THE COLLEGE

Bahona College, established on 15th July 1966, is a co-educational institution located at Bahona near Jorhat town, along the Brahmaputra en route to Nimati Ghat. The college offers Arts and Science streams at both the Higher Secondary and Undergraduate (FYUGP) levels. It also provides Distance Education from Higher Secondary to Master's level under Dibrugarh University, KKHSOU, and ASOS. In addition, the college offers a four-year Integrated Teacher Education Programme (ITEP). Accredited with an 'A+' grade by the NAAC, the college reflects strong academic quality and institutional excellence. With over six decades of academic excellence, Bahona College is a reputed institution under Dibrugarh University, having around 1600 students, 60 faculty members, and 15 Departments, and remains committed to providing quality education, especially to rural and economically disadvantaged communities.

## THEME

Exploring interdisciplinary innovations in Chemical and Biological Sciences

## FOCUS AREAS

1. **Chemical Sciences:** Various fields of Chemistry and allied areas
2. **Biological Sciences:** Botany, Zoology, and allied biological sciences

## SEMINAR HIGHLIGHTS

**KEYNOTE SPEAKER**  
Professor Manabjyoti Bordoloi  
Retd. Scientist, NEIST, Jorhat &  
Professor, Cotton University

**INVITED SPEAKER**  
Professor Bidyut Kr. Sharma  
Director, DBT  
Assam Agricultural University

**INVITED SPEAKER**  
Professor Ghanshyam Bez  
Dept. of Chemistry  
North Eastern Hill University

## WHO CAN PARTICIPATE

1. Academicians / Faculty
2. Research Scholars, Students
3. Representatives from Industries
4. Other interested individuals

## ABOUT THE SEMINAR

This one-day national seminar on "Emerging Trends in Chemical and Biological Sciences" is jointly organized by the Department of Chemistry and the Department of Botany. It provides a platform for scientists, researchers, academicians, and students to discuss recent developments in these fields. The seminar also enables students and faculty to interact with experts and gain insights, while promoting collaboration between academia and industry. The seminar will be conducted exclusively in offline mode.

## IMPORTANT DATE

Last Date for Registration and Abstract Submission:  
**31-May-2026**

## MODE OF PRESENTATION

Presentations will be conducted in **oral** and **poster** modes.

## REGISTRATION FEE

1. Academicians / Faculty: ₹1500
2. Research Scholars: ₹1000
3. Students: ₹ 700
4. Industry Participants / Others: ₹2000
