<b>Election Awareness Programme</b>	
<p><b>Report on Election Awareness Programme</b></p> <p>Organized by: NSS, Bahona College  Date: 13th March, 2019  Venue: Bahona College and Neighboring areas  Target Group: Teaching and Non Teaching Staff, Students, Local People</p> <p><b>Abstract:</b>  NSS, Bahona College, to make the people aware about the upcoming General Election 2019, organized an Voters/Election Awareness Programme on 13th March, 2019. In this programme, NSS Programme Officer Dr. Pankaj Bora, with the help of District Election Authority motivated people to vote in the next election. The district election authority sent two persons with an EVM and VVPAT for training and awareness purposes.  As part of the awareness programme, a street play was performed by the volunteers of NSS. The street play was scripted and directed by Dr. Sarala Das, Assistant Professor, Bahona College. It was first performed at the college campus and then at the weekly Wednesday market. The theme of the street play was "Every single Vote Counts".  After the street play, training for EVM and VVPAT was organized. Experts from district administration demonstrated the machine for teaching and non teaching staff of the college. They demonstrated how the machine is assembled and how the voter slip drops after a vote is recorded in the machine. The teaching and non teaching staff are allowed to handle the machine themselves. After that, the machine was demonstrated for the students on campus. Students are made aware of the EVM and the VVPAT.  The last phase of the awareness programme was held at the Wednesday market held at the adopted village Nath Gaon. The machine was demonstrated for the villagers and people coming to the market. They are asked to cast voting for a mock drill. Total 40 teachers, 12 non teaching staff, around 200 students and 250 villagers took part in the awareness programme. At the end of the awareness programme, Dr. Pankaj Bora, NSS, PO thanked the participants and the experts from the district administration.</p> <p style="text-align: right;">Pankaj Bora  Coordinator  IQAC  Bahona College, Jorhat  Pin-785101</p>

<p><b>Special camping programmes:</b></p> <p>NSS, Bahona College has organized one Trade Fair for the adopted villages as special camping programme. It was held from 5<sup>th</sup> April, 2021 to 10<sup>th</sup> April, 2021. Several talks and competitions were organized as a part of the Trade Fair cum Special Camp.</p> <p>While organizing these activities, NSS took help from different other organizations, cell and communities of Bahona College. NSS also collaborated with other NGOs and societies while organizing these activities. Few programmes and activities were funded by different bodies of the college and by district authorities.</p> <p>Due to outbreak of Covid Pandemic, this NSS work actively in sensitizing Covid related issues. As Covid related SOPs have suggested minimum outing, NSS Unit of Bahona College tried to carry on its activities online.</p>

**National Science Day - 2020**

**Report on Bahona College Eco Club**

Eco Club of Bahona College in collaboration with Assam Science Society, Bahona Branch and Department of Botany celebrated National Science Day on 28<sup>th</sup> February, 2020. All the faculty members initiated the programme by planted sapling in the college campus at 9am. The college invited its nearby six schools Charigaon Girls' High School, Bahona Boys' High School, Bahona Balya Bhaban, Kalyani High School, Reba kanta Boruah High School and Bahona girls high School to participate in the programme. And the students came to celebrate particular event. The number of students participated from the mentioned schools were 120 and total 233 students from host institute were present.

The main programme of the day started from 10 a.m and the programme was inaugurated by our Principal Sir Dr. Prasanna Kr. Dutta. He welcomed all the students and teachers to celebrate the event with delectation. ECO club briefed and highlighted this year theme "Women in Science" by Dr. Manash Jyoti Borah, Asst. Professor Bahona College.

Mr. Gopal Hazarika, HoD of physics delivered a lecture on "Science Day". He explained the significance of science day and appealed all the students to be scientific minded.

Dr. Sangita Das, Asst. Professor, Dept. of Botany delivered a lecture on "Women in Science". Dr Das explained briefly how some women scientists have contributed to science.

Dr. Bikramaditya Bakalial, Asst. Professor, Dept. Of Zoology delivered a lecture on "Introduction to Biodiversity". Dr Bakalial highlighted about how can balance our biodiversity and stress on the need to look for other alternatives which can help in making the use of plastics viable and safe for the environment.

One extempore speech competition for school students organised by Eco Club based on the theme "Environment Science" that day. 52 students participated in the event. Result of this competition was following:

First Position: Miss Boisali Hazarika (Class 10th, Bahona Balyabhwahan),

Second Position(Jointly) : Miss Priyanki Bora(Class 9th, Charigaon Girls High School) and Miss Probali Kalita(Class 9th, Bahona Balyabhwahan),

Dr. Chetia talked about particulate matter, how they are formed, how they enter the atmosphere, and the many types of health risks imposed by them. The alarming increase of air pollutants became very clear after his description. Dr. Chetia nicely demonstrated the prevailing air pollution showing some photographs taken before and during the COVID-19 pandemic lockdown period. He also discussed the various other sources and preventive measures for air pollution. Dr. Chetia described how face masks play a crucial role in protecting our bodies from pathogens and pollutants. Dr. Chetia in general raised the claim that COVID-19 came to human society as a blessing, teaching us many good habits like wearing of face mask, proper hand sanitization, etc. As an ending note, Dr. Chetia requested the participants to follow the necessary steps and spread awareness about the same to others. After that, the second resource person Mr. Dilip Tamang started his session on air pollution. Mr. Tamang vibrantly started the speech by referring to some historical events related to air pollution in a PowerPoint presentation. Mr. Tamang discussed with the participants covering almost all the topics associated with the theme. He discussed the causes, factors, impacts, and mitigation steps of air pollution. Mr. Tamang also mentioned the recent Baghjan, Tinsukia, Assam incident and the resulting effects on the flora and fauna on the nearby national parks and water bodies to demonstrate the consequences of air pollution. He ended his speech with a quote and requested the participants to follow all the air pollution mitigation steps and spread awareness on the same to others. Thereafter, convenor Dr. Borah specially thanked Dr. Chetia and Mr. Tamang for delivering their speech despite being engaged in their busy schedules. After that, speech competition prizes were handed over to students by principal Dr. Prasanna Kumar Dutta and Dr. Pranabjyoti Chetia. Then Mr. Bhaskar Dwarah, Assistant Professor, Department of Botany offered a vote of thanks to principal Dr. Prasanna Kumar Dutta, resource persons Dr. Pranabjyoti Chetia and Mr. Dilip Tamang.</p></div>

<b>Workshop on Research Methodology and Academic Publication</b>	
<p><b>INTRODUCTION:</b></p> <p>Methodology forms the central and most crucial component in any research. Researchers need to be well-versed with the methodology, without which the research findings would be affected adversely. Along with methodology a researcher should be well-equipped with appropriate scientific tools for conducting a research. The use of scientific tools and software enables the researchers to conduct their research smoothly and with ease. But good research also needs to be published in reputed journals. With the mushrooming of cloned and fake journals that lures the researchers with the promise of quick publication against exorbitant money. This has been degrading the field of research and publication.</p> <p>In recognition to the need of raising awareness and reorienting the research and publication abilities of researchers across all disciplines, IQAC- Bahona College, Jorhat is organising the workshop titled <b>Research Methodology and Academic Publication; Special Focus on Use of Scientific Tools and Software (RMAP)</b>. Due to ongoing pandemic this workshop is scheduled to be held ONLINE.</p> <p>The Organizing committee of the workshop has developed a blended workshop package covering research methodology for social science as well as pure science. The workshop focuses not only on the theoretical and philosophical dimensions pertaining to research but also the varied practical aspects of research that a researcher encounters during various stages of conducting research such as identifying research problem, proposal writing, literature review, selection of research methods, data analysis, use of software packages and tools, report writing, writing articles based on research, selection of Journal in relevant areas of research and publishing the research work.</p> <p><b>WORKSHOP CONTENT:</b></p> <ul style="list-style-type: none"> <li>(1) Introduction to Research Methodology</li> <li>(2) Use and Importance of Scientific Tools for Research</li> <li>(3) Designing a Research Plan: Key Concerns</li> <li>(4) Sampling: Methods and Techniques</li> <li>(5) Methods and Techniques of Data Collection</li> <li>(6) Secondary Sources of Data: Where and How</li> <li>(7) Use of Basic Software for Research: MS Office</li> <li>(8) Advance Software for Research: Mathematica Software</li> <li>(9) Statistical Analysis of Data using of Tools and Software: Highlights on Software 'R'</li> <li>(10) Report Writing Using Advance Software: Use of LaTeX</li> <li>(11) Academic Writing: How to Write Research Paper, Book, PhD Thesis and Report</li> <li>(12) Your Manuscript: Publishers' Expectations</li> </ul> <p><b>GUIDELINES FOR PARTICIPANTS:</b></p> <ol style="list-style-type: none"> <li>1) Interested candidates are requested to pay the registration fee on or before the last date.</li> <li>2) After paying the registration fee, applicants need to fill in the online registration form by visiting the registration link.</li> <li>3) Applicants have to upload image copy of the Registration fee payment receipt along with transaction ID and date while submitting the online registration form.</li> </ol>

**Day-3 (Session-1)**

**Understanding "generalisation"**

- First of all, **Generalisation** does not mean the **same**, but means **similar**
- If say sample mean is 20, generalisation does not mean **statistically**, population mean also is 20, but only means that it will be **"something about 20"** i.e. similar to 20
- When we say like this we take a **chance of error and we can play around it**
