Action Taken Report
Students' Feedback on Administrative Mechanism, Evaluation System,
Course and Campus Facilities
2019 – 20 (Odd Semester), IQAC, Bahona College

Students' feedback on administrative mechanism, evaluation system, course and campus facilities are taken in five responses – A, B, C, D and E implying very good, good, average, poor and very poor. IQAC of the college has decided that students' response on C, D and E should be taken seriously. On the basis of findings on these three grades necessary action should be taken. Accordingly, examining students' feedback on the aforesaid four areas, for the session 2018-19(odd semester), following actions were taken.

Feedback areas	Action taken
Administrative Mechanism	Among 26 questions regarding administrative mechanism response to 9 is 'very good', the percentage is 34.62. Response to other 17 questions was 'good' where the percentage is 65.38. No response was there as average, poor and very poor. Of course, the college is making continuous effort to make all the aspects 'very good'.
Evaluation System	Among 11 questions regarding evaluation system response to 9 questions was 'very good' and its percentage 81.82. And for rest two questions response was 'good' where the percentage is 18.18. No response was there as average, poor and very poor. End semester exams are held and controlled by Dibrugarh university whereas in-semester exams are held by the college itself. The college time to time modifying the process of in-semester exams to make it more effective.
Course	Among different questions related to course aspects response to one question is very 'very good'. The percentage

	here is 7.14. For the rest 13 no questions response was 'very good'. The percentage here is -92.86. There is no response as average, poor and very poor. Of course, Curricular Development Cell, under IQAC of the college is trying to analyze and approve new syllabus on those areas of the college having autonomy.
Campus facilities	In case campus facilities 3 response was 'very good' and other 61 was 'good'. The percentages here are 4.69 and 95.31 respectively. No response was there as average, poor and very poor. Of course, the college authority is taking continuous initiatives to develop campus facilities such as canteen building, college approach road, drinking water facilities, garbage management, rain water harvesting, maintaining greenery etc. etc.
