**Report on the '4<sup>th</sup> Alumni Interaction Session'**

The 4<sup>th</sup> Online Alumni Interaction Programme was held using google meet on 31<sup>st</sup> October, 2021, 6.00 pm onwards. More than 41 participants participated in the programme. The program was coordinated by Dr. Champak Dutta, Asst. Professor, Department of Chemistry with an inaugural speech by the HoD, Dr. Parinita Borah. The invited talk of the session was delivered by Mr. Preetom Dutta, alumnus & music produce, stationed at Mumbai. The programme was about Mr. Dutta's journey from Chemistry to the field of Music and bollywood. He talked about various options available for music enthusiasts. He also shared his journey from the Bahona College till date and various hurdles came along his journey. The session was moderated by Dr. Champak Dutta, Asst. Professor, Department of Chemistry. It was followed by short interactive session with questions from the audiences. Finally, the programme was concluded with sincere vote of thanks by Miss. Prantika Bhattacharjee, Asst. Professor, Department of Chemistry.
