Date: 19th May, 2018

Organized: Department of Mathematics, Bahona College, Jorhat, Assam.

Audience: Under graduate mathematics students and Faculty members.

Number of Students Participated: 97

Program Details:

The department of Mathematics, Bahona College organized a guest Lecture on the title "Popular Talk" on 19th May, 2018 at Bahona College, Jorhat, Assam.

The Guest lecture commenced at 10 am with the welcome address by Dr. P. K. Dutta, Principal, Bahona College, Jorhat, Assam. The Guest Speaker was Prof. Swaroop Nandan Bora, Department of Mathematics, IIT Guwahati, Guwahati, Assam.

Prof. Bora began his speech by saying that mathematics is very essential in day to day life of every person. He explained how topics in mathematics are related to nature. He said mathematical training develops analytical thinking as it disciplines the mind to solve problems, which require planning and action.

Vote of thanks was proposed by Ms. Papori Neog Bora, Assistant Professor, Department of Mathematics, Bahona College. Faculty members and students were much benefited from the Guest Lecture.
