### Awareness program For Plastic Pollution (13<sup>th</sup> November, 2019)

Eco Club of Bahona College in collaboration with Assam Science Society, Bahona Branch organised awareness program on " Effects and Solutions of Plastic Pollution" at Reba Kanta Boruah Public High School, Jorhat on 13<sup>th</sup> November, 2019. Highlighting the theme Dr. Manash Jyoti Borah, Asst. Professor Bahona College for ECO club briefed about the programmes for preventing the use of single use plastic . He called upon the students to stop using the single use plastic themselves and spread the awareness among the masses.

Dr, Parinita Borah, HoD of Chemistry deliberated about the various factors that affect the environment by the single use plastics. She highlighted the fact that the single use plastic is a form of hydrocarbon. So burning such types of plastics generates the pure form of carbon dioxide that is hazardous to not only for the environment but the human health.

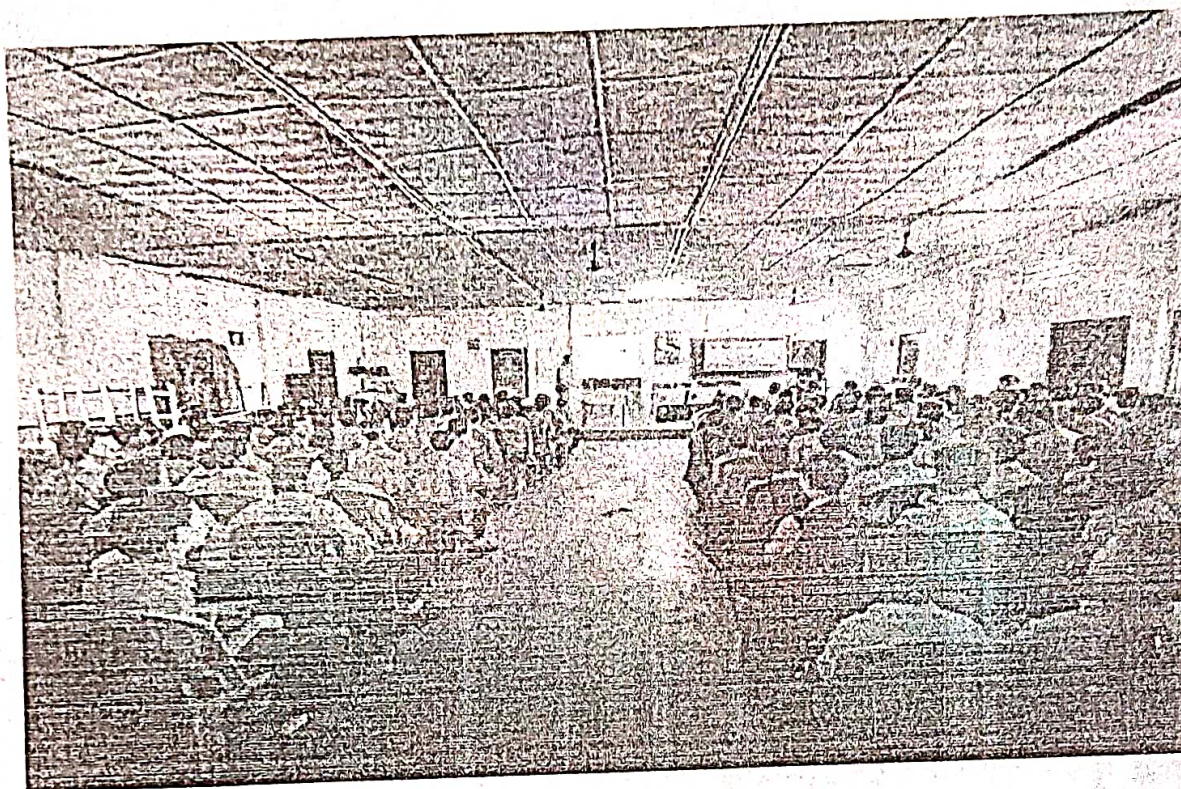

Dr. Bikramaditya Bakalial, Asst. Professor, Dept. Of Zoology highlighted about the various health hazards posted by the use of single use plastics. Dr.
