

A REPORT ON THE FRESHMAN SOCIAL OF BAHONA COLLEGE,  
ORGANISED BY THE COLLEGE STUDENTS' UNION

JUNE 27 & 28, 2019

In keeping with the tradition of welcoming the new students of both the Higher Secondary and Degree Courses to the college every year, the Students Union of the college (2018-2019) hosted a two day event on the 27<sup>th</sup> and 28<sup>th</sup> of June (Thursday & Friday), 2019 in the college auditorium.

The event began with the self-introduction of the new students and display of their talents, leading to a general merriment as this is an event that the student community looks forward to every year. The Union under the supervision of their advisor-teachers kept a strict eye on the maintenance of discipline and decorum and ensured that the no rule of the college was breached. The program ended at 6PM in the evening.

On the 28<sup>th</sup> June (Friday), the open meeting began at 10AM with the Principal of the college, Dr. Prasanna Kumar Dutta in the Chair. The Guest of Honour of this formal meeting was Dr. Aditi Bezbaruah, Associate Professor of Physics at Jorhat Engineering College and a noted educationist, author and debater. The special invitee on the occasion was Dr. Pabitra Pran Goswami, the Principal (Rtd), Jorhat College and the current President of the Governing Body of the college. The General Secretary of the Students Union, Monoj Bora, welcomed the gathering before handing over the proceedings to the Chair. In her speech, Dr. Bezbaruah, with her signature personalized and humorous oratory kept the audience spellbound. Dr. Goswami, in his speech elaborated on the roles and responsibilities of the student community towards the enrichment of the society. Scholarships to meritorious students by Trusts and Departments were awarded in the same meeting which came to an end with the observations from the Chair and the Vote of Thanks delivered by the Cultural Secretary of the Union, Akashdeep Gogoi.

The event ended with the cultural program of the evening which was inaugurated by the renowned exponent of the *Dhol*, Shri Mahendra Chutia.
