Bahora, 16 March 2018, Friday: A one-day workshop on 'Bioinformatics' was organised by Botany department of Bahora College on 16 March 2018. At about 10:30 AM the event was started in presence of the Principal, Dr. P. K. Dutta, H.O.D. Pratibha Bora of Botany Dept, Dr. Sangeeta Das. Two special guest were invited for the workshop from J.B. college Dr. Sourabh K. Das, Biotechnology Dept. and Prof. Nilave Bhuyan, Coordinator, ^{DBT} Advanced level Biotech-Hub. The programme was anchored by Dr. Sangeeta Das of Botany Dept and the guest of honour done by Bimpy Hazarika, Mousumi Devi, Sikha Saitia of 4th Sem Botany Department with a Phulam Garosa for warm welcome. The programme was inaugurated by the principal with a beautiful opening speech and he advised all the students present there to be punctual and be regular in the classes. Dr. Sourabh Das started his presentation at about 10:45 AM and his topic of discussion was based on 'Basics of Bioinformatics'. Dr. Sourabh Das in his speech told that he could possibly learn many important things in his life after joining the J.B. College. He introduced his topic and asked all the students - what they knew about Bioinformatics? Why it is necessary? and then he continued that Bioinformatics is the emerging field that deals with the application of computer science and information technology, merged in a single discipline. He asked all the students not to buy books which is really very costly if you are not able to purchase then go through internet.

websites, better you download Pdf, ppt, etc which will be helpful in your studies as well as in a quick session. Dr. Sourav Das completed his presentation at about 12:55 PM by thanking each and every member present in the event. Dr. Sourabh Das interaction with students was quite fruitful and shared lots of informations.

Positively at about 1:00 PM Prof. Nilave Bhuyan Co-ordinator, ^{DBT} Advanced Level BioTech Hub of J.B. College reached in the workshop and Mausumi Devi of 4th Sem welcomed him with a phular gamosa. Before starting N. Bhuyan presentation, all the members along with the students were provided with Packet lunch and also a cup of Tea to everyone, for freshness. The workshop came to an end with the speech of Dr. Sangita Das, she highly praised the participants and encouraged them to take part in such workshop to enhance their personality. In the presence of all a group photo was taken at last and the workshop ended at 2:20 PM.
