## **From the Principal's Desk**

**Dear Students, Faculty Members of the Bahona College Community**

I am delighted to share an exciting development in our academic offerings at Bahona College. Beginning with the academic session 2024-25, we are proud to introduce the Integrated Teacher Education Program (ITEP) B.A./B.Sc. B.Ed. courses. Through ITEP, we are introducing dual-major programs in Arts and Science (B.A. B.Ed. and B.Sc. B.Ed.). These programs have been meticulously designed to align with the vision of National Education Policy-2020 and to meet the growing demand for skilled and knowledgeable educators.

The ITEP is a comprehensive four-year program aimed at preparing future educators with a solid foundation in both subject knowledge and pedagogical skills. This integrated approach ensures that our graduates are not only proficient in their chosen subjects but are also equipped with the necessary teaching methodologies to excel in diverse educational environments.

I am happy that our Prospectus committee has brought out a new edition of the college prospectus for Four Year Integrated B.Ed. Course. I congratulate the team behind this effort and wish them a fulfilling year ahead.

**Thank you**

**Dr. Sumbit Chaliha**  
**Principal, Bahona College**

## From the HoD's Desk

### **Message from Head of the Department:**

#### **Greetings from Bahona College!**

It gives me immense pleasure to welcome you all to 4 year Integrated Teacher Education Programme (ITEP) which is starting from this year onward. At present, teacher education scenario has witnessed a significant change in its structure and its process. As per the guidelines of NEP -2020, 4 year Integrated Teacher Education programme is introduced all over India. NCTE has granted recognition to 64 no. Higher Institutions for ITEP for the academic year 2024-25. Bahona College in association with Post Graduate Training College ( IASE), Jorhat got recognition from NCTE for starting B.A. B.Ed ( Secondary), B.Sc .B.Ed ( Secondary), B.A. B.Ed ( Middle ) and B.Sc .B.Ed ( Middle ) from 2024-25 onward.

The 4 year integrated B.Ed is designed for holistic development of students. We ensure to develop future teachers who will be academically sound, psychologically strong, technologically advanced and professionally ethical. We will provide a cheerful, productive and learned experience to our students to explore the real world. Our well qualified staff, modern amenities, psychological laboratory, ICT laboratory, well equipped library will help tremendously to walk confidently in the path of teaching profession. Along with academic growth we will imbibe moral human values in students that will result in producing excellent citizens of the country.

Your future is protected here and we will give you safe and healthy atmosphere. I warmly greet all learners to our institution.

**Unfeignedly,**

**Dr. Rashmi Rekha Devi**

#### **Message from Course Coordinator:**

#### **Greetings from Bahoana College!**

I extend a warm welcome to all of you. It is a privilege for me to work with our students, faculty members and official staff. As we move forward in the academic year 2024-25, I want to take this opportunity to share some important updates regarding ITEP, B.Ed. Programme at our College. We are thrilled to embark on a new semester filled with opportunities for growth and learning. I encourage our esteemed faculty members to continue fostering collaboration and sharing best practices within our departments. We are committed to enhanced student engagement both inside and outside the classroom. Our support services includes academic counseling, career and guidance counseling and to promote holistic development of our students. We always welcome feedback from all the stakeholders.

## About Collaborative College

**Post Graduate Training College** was started in 1957. In the last few decades of Post Graduate Training College, the secondary school teachers and educational administrators were deputed to the college from different Government Schools of Assam. The deputed teachers considered it a rare opportunity to join Post Graduate Training College as student- teachers where they could enjoy a rich blend of cultures. The friendly and cordial relationship between the teachers and teacher educators added grandeur to it. They worked together not only during the class hours but afterwards also by taking part in games and sports, music, dramatization along with academic discussion. The student teachers are mostly deputed by the Govt. of Assam. A few seats are open for pre-service students also. At present a combined entrance test is held by the Dibrugarh University to select prospective student on merit cum performance in the common Entrance Test.

We, at Post Graduate Training College (IASE), ensure high quality education, which motivates and empowers our students to be lifelong learners and productive members of the society. As per the guideline of NEP 2020 we are looking forward to introduce 4 year Integrated Teacher Education Programme (ITEP). The programme aims at preparing teachers for foundational, preparatory, Middle and Secondary stages as per the new school structure of NEP 2020. It will encourage students to enter into teaching profession from multiple disciplines and understand the pedagogy of teaching from broad aspects.

We are really delighted to sign our M.O.U with Bahona College, Jorhat to start Integrated Teacher Education Programme (TEP) in a multidisciplinary environment. We both the colleges will try our level best to provide quality education to our students in best possible way. This course caters to the need of 21 Century skills. We look forwarded to welcome you to be part of our vibrant learning community.

**Prof. Tridib Bordoloi. Principal i/c**  
**PGTC (IASE) Jorhat, Assam**

## **About the Itep Programme**

Bahona College offers the 4-year Integrated Teacher Education programme (ITEP) B.A. B.Ed/B.Sc. B.Ed (Middle & Secondary Level), a dual major undergraduate degree, from the academic year 2024-25. The Four Year Itep is a milestone achievement in fulfilling one of the major mandates of National Education Policy 2020. The Itep aims at the dual purpose of providing student teachers disciplinary knowledge along with the professional knowledge in an integrated manner. The program will be equivalent to an Undergraduate Degree (B.Sc./B.A.) and Teacher Education Degree. The curriculum of this program includes different courses and activities essential for both the degrees.

ITEP will be in multi and interdisciplinary academic environment and shall be implemented as per the guidelines of the NCTE and affiliating university. This program will prepare teachers for the new curricular and pedagogical structure of school education as reconfigured, to make it responsive and relevant to the developmental needs and interests of learners at different stages of their development, corresponding to the stages like Fundamental, Preparatory, Middle and Secondary guided by the 5+3+3+4 design. The Itep will help all students who choose teaching as a profession after secondary, by choice. This integrated course will be beneficial for the students as they will save 1 year by completing this course in 4 years against the normal duration of 5 years as in the case of the existing B.Ed. programme. The programme has been permitted to share the existing physical resources of other departments of Bahona College

The course will contribute substantially to the revitalization of the whole teacher education sector. The prospective teachers passing out of this course through a multidisciplinary environment, reinvented Indian values and traditions will be instilled with the needs of 21st century on global standards. Hence, it will be largely helpful in shaping the future of Modern India.
