

BAHONA COLLEGE
Teachers Feedback Analysis Report 2018-19

INTERNAL QUALITY ASSURANCE CELL

BAHONA COLLEGE

Introduction:

Bahona College, Jorhat, being unique from its very inception and foundation, has emerged as a benchmark of excellence and innovation for the world of education. With quality sustenance as its focus, the IQAC of the Bahona college has developed the feedback mechanism commencing with obtaining feedback from the teacher through a structured rating based feedback form. The college draws feedback from teachers for continuous improvement in institutional facilities and enrichment. For the session 2018-19, the analysis of teachers' feedback is presented as under:

5.66%	6.42%	41.51%	20.75%	25.66%

The Teachers' feedback on campus facilities (campus) of the college was collected and analyzed.

Majority (50.61%) of the teachers have given his/her feedback on campus facilities of the college is good.

32.86% of the teachers have given his/her feedback on campus facilities of the college is average.

14.57% of the teachers have given his/her feedback on campus facilities of the college is very good.

7.33% of the teachers have given his/her feedback on campus facilities of the college is poor.

0.85% of the teachers have given his/her feedback on campus facilities of the college is very poor.

Overall, most of the teachers are satisfied with the campus facilities of the college.

Canteen:

Sitting arrangement

A= Very good	B=Good	C= Average	D= Poor	E= Very poor
17.98%	51.83%	28.30%	1.89%	0.00%

Canteen Food

A= Very good	B=Good	C= Average	D= Poor	E= Very poor
9.43%	44.28%	40.62%	5.66%	0.00%

The Teachers' feedback on campus facilities (Canteen) of the college was collected and analyzed.

Majority (45.91%) of the teachers have given his/her feedback on campus facilities (canteen) of the college is good.

35.85% of the teachers have given his/her feedback on campus facilities (canteen) of the college is average.

11.95% of the teachers have given his/her feedback on campus facilities (canteen) of the college is very good.

6.29% of the teachers have given his/her feedback on campus facilities (canteen) of the college is poor.

Overall, most of the teachers are satisfied with the campus facilities (canteen) of the college.

Sanitary Provisions:

Quality

A= Very good	B=Good	C= Average	D= Poor	E= Very poor
5.66%	24.53%	33.96%	24.53%	11.32%

Water connection

A= Very good	B=Good	C= Average	D= Poor	E= Very poor
6.66%	38.62%	35.85%	18.87%	0.00%

The Teachers' feedback on campus facilities (Sanitary provision) of the college was collected and analyzed. Majority (35.85%) of the teachers have given his/her feedback on campus facilities (Sanitary provision) of the college is average. 30.82% of the teachers have given his/her feedback on campus facilities (Sanitary provision) of the college is good. 5.66% of the teachers have given his/her feedback on campus facilities (Sanitary provision) of the college is very good. 9.50% of the teachers have given his/her feedback on campus facilities (Sanitary provision) of the college is poor. 8.18% of the teachers have given his/her feedback on campus facilities (Sanitary provision) of the college is very poor. Overall, most of the teachers are satisfied with the campus facilities (Sanitary provision) of the college. But some of the teachers are not satisfied with the campus facilities (Sanitary provision) of the college. Therefore, some modification will be needed the sanitary provision of the college.

Conclusion:

This feedback analysis report found that college has maintained a good environment for the teaching staff. However, there are few areas for improvement. Specially, college need to upgrade the sanitary provisions. There is a need for renovation of classrooms. There is a scope for upgrading the healthcare facilities also. This report recommends for updating the healthcare infrastructure, classrooms and sanitary provisions of the college.
