About Bahona College:

Bahona College is the only institute of Higher Education in the North East corner of Jorhat that offers Higher Secondary and Undergraduate courses both in Arts and Science. Bahona College started its relentless effort of imparting quality higher education on 16th July, 1966 with a handful of students. This college is a crowd funded college. A delegation of academics, educationists and organisers led by visionary Ram Kr. Boruah established the college in a green sprawling location. In 2016, the college celebrated Golden Jubilee of its glorious existence. In the second cycle visit to the college (2015), the NAAC awarded it B Grade (2.71 point, B+ as per new scale).

Set in a sprawling campus, the college building is surrounded by shade trees, ornamental plants, fruit trees and seasonal flowers in a riot of colours. Free from unhealthy campus activities, Bahona College can boast of a healthy and serene environment.

The college is well connected by bus service and tempo/magic service which ply regularly from 7am to 8pm from the Jorhat city to Nimati Ghat.

Vision:

We are committed to the society in building capability, developing personality and inculcating social and national values through quality education to the students, with equity and justice in rural environment.

Mission:

We are committed to the society in building capability, developing personality and inculcating social and national values through quality education to the students, with equity and justice in rural environment.

Objectives of the college:

The overall objective is to achieve holistic development of the students. The specific objectives are -

- * To foster academic activities that supports the mission of the College.
- * To equip the students for higher education, job placement, building capability and develop work culture.
- * To develop national, social and cosmopolitan values for responsible citizenship.
- * To provide opportunities for civic and cultural development in the communities that feed the College.

Strengths, Weaknesses, Opportunities and Challenges:

IQAC of Bahona College has identified its Strengths, Weakness, Opportunities and Challenges. These Strengths, Weakness, Opportunities and Challenges are-

Strengths of the institution:

- **Pre-designed vision and mission**
- **Well-designed master plan**
- **Governing consisting of reputed scientist, renown academician (Dr. R. C. Baruah, Retired CSIR Outstanding Scientist, Acting Director, CISR, NEIST, Jorhat**
- **Financial transparency and systematic documentation**
- **Increasing trend of enrolment**
- **Cooperative faculty and office staff**
- **Well-structured and participatory and decentralized governance**
- **Increasing academic flexibility**
- **Well structured IQAC framework**
- **Growing e-learning and research ambience**

Weakness of the institution:

- **Congested setting of class rooms**
- **Infrastructural facilities of games & sports still beyond up to the mark**
- **No institutional hostel facilities for boys**
- **Semester system is yet to be students friendly so far as the revaluation matter is concerned**
- **Under use of College Library due to active role of departmental libraries**
- **Inadequate ICT facilities**
- **Lack of institutionally managed transportation facilities**
- **Consultancy services are not linked with income generation**

Opportunities of the institution:

- **Peaceful environment and cooperative neighbourhood**
- **Enthusiastic research environment**
- **Dynamic work culture**
- **Alumni's cooperation and sense of belongingness**

- Availability of fund under various schemes
- Growing involvement with vision and mission of the college
- Scope of collaboration for research activities as the College neighbours several research institutions.
- Semester programme with fixed academic calendar
- Positive attitude towards students' support

Challenges before the institution:

- To improve input-output quality difference
- To adopt strategy for the use of full intake capacity of the departments
- To build up a self-promoting quality development mechanism
- To upgrade sports facilities and other extracurricular aspects
- To develop and maintain a green campus
- To increase campus facilities with expansion of land area
- To promote ICT amenities
- To strengthen students support mechanism
- To make self learning and development a continuous effort

The Process of the Perspective Plan:

The Perspective Plan of Bahona College is the outcome of the long exercise of the Perspective Plan Preparation Committee form by IQAC. While preparing the plan, the committee consulted with members of the IQAC, HoD's, students and alumni of the college both in formal and informal set up. The Perspective Plan Preparation Committee has considered the following in preparing the Perspective plan.

1. Recommendation of the NAAC Peer Team members of Cycle II.
2. Vision and Mission of the college.
3. Quality Policy of the College.
4. Inputs from stakeholders.
5. Societal expectations from the college
6. Education policies of the Government of India and Government of Assam
7. Dibrugarh University vision and mission
8. Core values reflected in the constitution of India
9. Socio-economic background of the students
10. Possible changes that the college, society and nation may witness in next 5 years.

Aims and objectives of the Perspective Plan:

The Perspective Plan Preparation Committee of Bahona College prepared this plan with the following aims:

- To act as a model guideline for all institutional stakeholders in improving upon the gaps that are inherently present in different developmental sectors of the institution.
- To ensure maximum utilization of all resources- human, financial and physical for the holistic development of the institution.
- To ensure a continuous quality assurance system in place for making the college one of the most sought-after institutions of higher learning by students from a wide range of disciplines.
- To set directions of extension activities of the college.
- To lay the foundation for a quality autonomous-grade institution.
- To improve the performance of the college before different quality assessors including NAAC.

To achieve the above set of broad aims, the following set of objectives have been identified, which are planned to be executed over the period from 2017-18 to 2022-23.

- To promote good governance practices with a view towards introducing greater efficiency and transparency in all institutional procedures and practices, by enhancing coordination amongst the different institutional units/ wings.
- To augment paradigm changes in curricular aspects, aided through qualitative as well as quantitative up-gradation of learning resources, institutional infrastructure, student support and progression as well as research and extension activities
- To maximize the good practices in different arenas for attaining quality benchmarks in different paradigms.
- To maximize the benefits of strength and opportunities of the college.
- To minimize the impact of the challenges and weakness of the college.

Perspective Plan 2017-18 to 2022-23:

The College perspective plan is prepared for a period of five academic sessions that is from Academic Year 2017-18 to Academic Year 2022-23. This plan is prepared in 7 sections- Curriculum Planning, Teaching-Learning and Evaluation, Research, Consultancy and Extension, Infrastructure and Learning Resources, Student Support and Progression, Governance, Leadership and Management and Innovations and Best Practices. The perspective plan of the college is-

Curriculum Planning:

- 1. Preparation of Academic Calendar for the upcoming academic session.**
